

Earth To Mars – The Bruno Mars Experience

TECHNICAL RIDER

IMPORTANT NOTES

We will bring our own in-ear system with wireless packs included, using our Soundcraft I24R mixer. We will provide a 16 channel splitter so that you are able to mix as you please from your console. The band members will all be able to control their own in-ear mix on their tablets. This is all in efforts to make this as easy as possible for our engineers. **The items/gear needed and requested by the band can be found on the 2nd page under "SOUND TECH TO SUPPLY / BAND REQUESTS".**

If you have any questions please contact Sam at (818)-470-2888.
